

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1-18. (Cancelled)

19. (Currently Amended) A device for describing ~~the~~ prescription medicine contained in a prescription medicine receptacle, comprising:

a label having a picture that alone identifies ~~the~~ said prescription medicine, said label being capable of mounting to ~~the~~ said prescription medicine receptacle.

20. (Currently Amended) The device of claim 19, wherein said picture depicts why the prescription medicine is being used.

21. (Currently Amended) The device of claim 20, wherein said picture depicts the body part for which the prescription medicine is being used.

22. (New) A label for marking a prescription medicine container, comprising:

a first side having an adhering surface capable of adhering to said prescription medicine container; and

a second side having only a non-textual, descriptive graphic that conveys the type of prescription medicine within said prescription medical container.

23. (New) The icon of claim 22, wherein said non-textual, descriptive graphic depicts the symptoms which the medicine is used to treat.

24. (New) The icon of claim 22, wherein said non-textual, descriptive graphic depicts the reason why the medicine is taken.

25. (New) The icon of claim 22, wherein said non-textual, descriptive graphic depicts the aliment that the medicine treats.

26. (New) The icon of claim 22, wherein said non-textual, descriptive graphic depicts the results of consumption of the medicine.
